

# Year 11 Revision 2017

**\*\*Please do not use this document as your exam timetable – please check your individual exam timetable to check which exams you have been entered for\*\***

## Before half-term

You are required attend school as normal up until Friday 26<sup>th</sup> May which is the Friday before half term.

In the two weeks leading up to half term there are some revision sessions available in addition to normal lessons. These revision sessions have been scheduled to best prepare you for the examinations that take place before half-term.

## After half-term

Study leave begins, this means you are only required to attend school for examinations. During this time there are a number of revision sessions on offer which we would advise you to attend. There will also be rooms available to you in which to revise independently. If you are in school you must be in an exam, in a revision session or in one of the nominated revision rooms, you are not permitted to work anywhere else.

During this time there will be no registration, instead you should sign in and out at the table that will be placed in the entrance hall. If you are in school during morning registration time and do not have an exam you should go to your form room.

If you have any questions about these arrangements please see Miss McBurney.
