

## Year 11 Mock Exams November 2018

Please read the following information carefully; it is important that you take these exams seriously. **Remember that your results may be used to determine your tier of entry for modular and final exams as well as being a way for us to monitor your progress. They will also help to inform the predicted grades we send to sixth forms and colleges that you may be applying to next year.**

**The timetable** for the mock exams is attached. Please check it carefully and highlight which exams you will be taking. Your timetable does depend on your option blocks. Use your normal timetable and the following information to work out which subject you have in which option.
