

Monday 10 October

It was a pleasure to see so many parents, carers and their children at our Open Evening last week. Remember, if you would like to see us in action in the working day then please contact the school office for a tour. Our presentation and video from the end of the evening is available to view, please click on the links.

We are looking forward to meeting and teaching the Year 6 students at our first liaison morning on Wednesday. If you are interested in coming to us from beyond one of our feeder primary schools then please make contact with Mrs Norman in the school office and register your interest in the liaison process, including your son or daughter's attendance at these days.

Good luck to all students competing in the Area Cross Country competition on Thursday. Last year we came an impressive third overall, so the pressure is on to retain at least this standing. The cross-country house competition in school has identified plenty of talent and given every one a chance to practice their pacing in a competitive situation.

A reminder that if you are visiting our site in order to look at our work as a Teaching School, then please visit our website dedicated to this at www.midsuffolktsa.co.uk We look forward to welcoming colleagues to our Aspiring and Newly Appointed Senior Leaders Course this week.
