

Monday 4 June

I hope that all our readers had a relaxing and temperate half-term. The warmer weather was certainly very welcome.

As we return after the break, Year 11 students only need to attend for their examinations. They have a timetable, which sets out these along with the revision sessions in-between the examinations. There is a quiet study room, which will be staffed, available throughout the day, for those who prefer to remain in school to study between examinations. Students are reminded that they must sign in and out at the main reception when arriving and leaving school and that they must be in school uniform at all times. Please **click here** for a copy of the schedule for the next few weeks.

This week Year 7 students head to Sizewell Hall on Tuesday as part of their RE studies. At this Christian retreat students will have opportunity to think about what they have learnt and what this means to them, in activities and time for personal reflection.

Hopefully, you received a copy home of our newsletter, *Aspire*, if not please click here to see what we have been up to. Congratulations in particular to all our new prefects and student leadership team.
