

Monday 19 March

With icy conditions over the weekend I hope you all managed to stay warm, but I am glad that the conditions have not brought disruption once more to the school. There is much on this week and next before we break for Easter on Thursday 29 March.

Year 10 students start their written mock examinations this week. With some practical assessments already undertaken they are getting into the flow, but it starts in earnest on Monday this week. For a timetable of all the examinations please [click here](#).

On Thursday Year 11 face their externally moderated performance in Drama. In the style of the theatre we wish them all “break a leg”.

Also on Thursday, we say “Bonjour et bien venue” to our colleagues and students from our French Exchange school. They remain with us for a week, students staying with their partner families and truly experiencing life in Debenham and Suffolk.

Finally, as a reminder to all Year 9 parents and carers, the Options Forms are due into school to Miss McBurney on Monday.
