

Monday 27 November

Our students and staff returned safe and sound from the French Exchange on Thursday evening, an excellent time had by all. New friendships were forged, and a few tears were shed on departure from France on Thursday morning on leaving their new friends.

This week our Year 11 students embark on their mock examinations. This is merely a stepping-stone in preparation for the final hurdle in the summer. To see a timetable of what is on when please click **here**.

Advance warning that on Thursday 7 December we have our Autumn Term Music Concert, the theme, music from stage and screen. Please contact the school office to reserve a ticket. Then a week later on Thursday 14 December we have our evening Carol Service at St Mary's Church. Parents, carers, friends and family are welcome as we mark the start of our Christmas festivities in what is always a heartwarming service. The service starts at 7.00, no need to book tickets, just come along.

This week sees the in school rounds of Book Mastermind. This is always a hard fought competition to find the candidate who will go on a represent the school in the Area competition. With Emma Burley, Year 10 winning the County title last year, there is strong history of success in this competition for the school.
