

Monday 6 May

I hope that all our readers enjoyed the extra day over the weekend.

This week we mark the start of the GCSE examination season and the legacy that our Year 11 students leave on the school in their final Leavers' Assembly on Friday morning. This year group have shown many very worthy characteristics in their time with us, compassion, diligence, truthfulness and wisdom to name just a few. We shall miss them when their time comes to leave us, but before their examinations start in earnest we reflect upon their journey with us.

Great to see our students in action in the Suffolk Youth Orchestra last week. Though hard to spot in the full orchestra look out for current student Millie Clark and former students Nathan Austin, Zinnia Smart and Jodie Mitson, who are now studying A Levels at Woodbridge School, Farlingaye and Thomas Mills High School respectively.

Good luck to our Year 9 Boys Football team who compete in the County Finals for the second year running this Wednesday. Kick off (at Needham Market Football Club) is at 2.30pm and we hope to go one step further this year. Spectators are welcome, in what looks like being a tense rematch against last year's winners, Hadleigh High School.
