

Friday 10 December

On Tuesday week, at 7.00pm, in St Mary's Church, Debenham, is our Christmas Carol Service. All parents and carers are welcome, with their family. It is night where we remember the meaning of Christmas and join in song and good cheer as we head into the festive season.

If you want some tunes to get you into the festive spirit, then look no further than our Christmas CD. Some classical tunes, performed by our musical students, really should bring festive cheer. They make a perfect stocking filler, the mesmeric God Bless You and Keep You, is a firm favourite.

If you missed Little Shop of Horrors, our Autumn Production, you really did miss out. Cast, orchestra and all backstage crew surpassed themselves. The challenging score and tight time for rehearsals might have been a daunting task but they really treated the audience with an amazing production. Congratulations to all involved.

Finally, this week, spare a thought for the school catering team as on Thursday they prepare Christmas lunch for nearly 700 students and staff. Students are reminded that there will be no other food served on this day, including break time snacks, given that lunch will start early in order to accommodate everybody.
