

Monday 11 March

This week we welcome Bishop Durrington from Kagera to our school. The school and the diocese have had links with Kagera for a number of years and we hope that this visit is the start of relations with teachers and students. Bishop Durrington will lead assembly with Year 7, 8 and 9 on Wednesday.

Last week Year 8 students received their Interim Reports, the week before Year 9 students received their full Annual Report. Year 7 reports are being completed in the coming weeks. These reports give an indication of the progress made by students and importantly how they are establishing good learning habits for the future.

On Tuesday we welcome Year 6 students for their second Liaison Day. We have been delighted with the interest in the school this year and we know that this has resulted in disappointment for some applicants. We are looking forward to seeing the Year 6 students again and starting to build an understanding of them, and them of us, before they start with us in September.
