

Monday 14 January 2019

Our start to term has been positive and re-energised. Whilst there seems to be some lingering germs which have been doing the rounds over the Christmas break, students and staff have returned refreshed for the term ahead.

This week Year 10 and 11 students take the charity lead with their week of activities to raise money and awareness for a good cause.

Students have come up with some creative activities for the week. The charities that they have chosen to support are XXXXXXXX. The following activities are taking place throughout the week:

Monday	Cake sale Distance challenge (how far can you kick?)
Tuesday	Photobooth
Wednesday	Obstacle course challenges
Thursday	Watch (and perhaps sing along to) The Greatest Showman
Friday	Staff vs Students Basketball Non-uniform – theme of XXXXXX

We hope that students will support and enjoy the week.

Also this week, we welcome Year 7 parents and carers for their first Parents' Evening. Students have been made aware how to make appointments with their teachers. The form for doing this is in the back of the log

book. We encourage students to leave 5 minutes between each teacher appointment to allow time for movement between rooms. There will be a sign in form in the school reception on the evening and all teachers will be situated in either the Main Hall or the Dining Room. We look forward to seeing you on Wednesday evening.
