

Monday 15 October

On Friday we waved goodbye to students from Slingerbos and Levant School in Holland. 60 Dutch students spent a fabulous two days and nights with students from Year 10 and 9. With one day trip and one day conducting an international independent research project students took themselves out of their comfort zones to work with people they had never met before. A huge thanks to all parents and carers who hosted Dutch students.

On Friday we also said hello to Year 6 students who are interested in joining us in September 2019. From poetry to coding, students experienced lessons and stayed for lunch before returning home. Any further enquiries on the admissions process please contact jnorman@debenhamhigh.co.uk

Life at Debenham High School

On Monday evening parents and carers can find out about the proposed World Challenge Adventure that students from Year 9 and 10 can apply to undertake in Summer 2020. The evening starts at 6.00p.m.

This week we launch our annual Big Draw Week. What will Mrs Carr and Miss Stratford have in store for us this week to get us being creative? Look out for the House Challenge on Friday and half-term activity.

On Wednesday students in Year 9 will attend the Suffolk Skills Show to open their eyes to the many and varied careers that they might take in the future.

We wish our Year 9 and 10 students bon voyage for half-term, as KS3 and GCSE Art students head for Amsterdam for four days. We look forward to hearing all about this new opportunity.
