

Monday 24 September

**OPEN EVENING: THURSDAY 4 OCTOBER**

**5.00 Sample the catering delights with tea in our school canteen**

**5.30 Tours of the school commence**

**7.30 Talk by the Headteacher at the end of the evening**

It was lovely to meet so many of our new parents and carers last week at our Year 7 information evening. To review slides from the initial presentation please [click here](#).

This week we support the next steps of Year 11 students as they start to consider what life will look like after Debenham High School in our Year 11 Pathways Evening. The evening starts at 5.45pm with a talk in the main hall by the Headteacher and other key staff at 7.30pm.

This is followed with a chance to chat with local post-16 providers. This night is the first step in students identifying what qualifications might suits their interests and abilities post-16. The following post-16 providers have confirmed their attendance: Farlingaye Sixth Form, Framlingham College, Hartismere Sixth Form, Ipswich School, Kesgrave High School, Stowupland Sixth Form, Thomas Mills Sixth Form, Suffolk One, Suffolk New College, Woodbridge School.

The richness of life at Debenham High School does not just come from what goes on inside the classroom. Learning is brought to life through numerous curriculum trips and visits as well as wider activities that broaden students' learning experience and add to their enjoyment of school life. This week is full of such opportunities:

- Tuesday: Year 8 Art, Design and Technology trip to Harry Potter World
- Wednesday: Music recording day for our Christmas CD
- Thursday: Year 7 Science trip to Colchester Zoo
- Friday: Year 11 Art and Year 10 Textiles trip to London
