

Monday 16 December 2019

It was wonderful to see a full house for our performances of Scrooge, The Musical, at the end of the week. Congratulations to all students involved on such stunning performances, the result of considerable hard work over a number of weeks. From set design to front of house, students led the event, contributing not only on stage but in all aspects behind the scenes. It was a real tour de force and the perfect start to our Christmas celebrations.

This week we turn our attention to business as usual for the next three days. On the last day of term students will enjoy two events. Firstly, in the morning all students (in two sittings) will enjoy our Carol Service at St Mary's Church and then in the afternoon, Debenham's Got Talent, our annual variety review on the final afternoon of term.

We have an open Carol Service for parents, carers, family and friends of the school on Wednesday evening. All are welcome to join us in song and prayer as we celebrate the Christmas season. The service starts at 7.00p.m. at St Mary Magdalene Church on Wednesday. There will be musical performances from different ensembles, an excerpt from Scrooge, The Musical and readings. It would be lovely to see as many of you as possible.

Until then, or if we don't see you, I wish all those connected with the school a happy and peaceful Christmas.
