

Monday 5 October 2020

It has been a week of very autumnal weather and as we explained we will, where at all possible, try to get students outside at break and lunch time to get some air and let off some steam. There has been a day where we were not able to do this but hopefully students are coming prepared for a bit of inclement weather. The school canteen is working incredibly hard to keep up with demand and having to run five different serving points but they are doing a fantastic job keeping everyone fed and watered ready for the afternoon.

We have sent out letters this last week to parents in Year 7 regarding the virtual settling in evening where there are videos to meet the tutor and Head of Year. Also to Year 11 parents regarding pathways and information about education providers post Debenham, it is scary that we are at this stage already but students need to start thinking about this in the next month or so. We will continue to update the school twitter account with key dates and events so do keep an eye on these.

We are starting a Key Stage 3 homework club this week again this is a virtual event, there will be a member of staff available between 4pm and 5pm Monday to Thursday to help students with any issues they may be having around homework. This will be via teams and the team will be called KS3 Homework.

Best Wishes

Simon Martin
