

Monday 6th September 2021

It has been lovely to have the students back with us this week and all students have settled back in to school life with enthusiasm and good cheer. As expected the good weather returned with the start of term but this has helped in keeping rooms well ventilated at least!

We are moving slowly towards returning to normal provision in school, but we do so cautiously and we will continue to reintroduce our normal offer as the term goes on. Clubs, both sporting and non-sporting clubs will return to our offer and we would encourage all students to get involved as much as possible in these clubs to reconnect with the extra-curricular aspect of school life.

We are also hopeful that we will be able to extend our House System further with competitions and activities for the Houses to compete in.

We were very grateful to receive a Community Award from Debenham Parish Council this week. As I have said many times during the pandemic the way that all of the community of Debenham High School, including parents, local residents and friends of the school worked together to make the best of a very difficult situation was humbling and the school was very proud to be part of this community endeavour.

With Warmest Wishes

Simon Martin
Headteacher

A generous person will prosper; whoever refreshes others will be refreshed.
Proverbs 11:25
