

Wednesday 12th January 2022

This week sees the return of extra-curricular clubs for our students. Students will have been shown a timetable for all of the activities on offer and as ever we encourage all students to take up the opportunities on offer. Club lists are also available to view on our website -

<http://www.debenhamhigh.co.uk/Parents/Lunchtime-and-After-school-Activity-List/>

Experiences beyond the classroom are such an important part of any students' school experience and the ability to mix with other students in a different arena is so important for all young people to develop and learn skills not just about the activity but interacting with others and the all of the social benefits this brings. In a time where rightly, there is concern over the Well-Being and Mental Health of all students a breadth and range of interests and activities are a crucial part of working towards this.

This week sees the first Year 7 parents evening and it so pleasing to see such a high proportion of parents booking in to see how their child is progressing. As ever if there are any general questions or queries please do get in touch. We are really pleased with how Year 7 have settled into High School after such a disrupted few years and I look forward to seeing them develop as people over their time with us.

With Warmest Wishes

Simon Martin

I have come that they may have life, and have it to the full.
