This last week has seen the students get involved in a number of Musical events, we were incredibly fortunate to have two world renowned musicians come into school, Jonathan Aasgaard and David Quigly to perform for our Year 7 students and some students from Sir Robert Hitcham. This really was a fantastic opportunity for our students to experience such high quality music and perhaps music they would not usually listen to. More of our students played in the Deb Fest on Saturday, our students performed in both Brass Band and singing and were well received by all and the students relished and enjoyed the opportunity to perform in front of a live audience.

Year 10 students completed their Duke of Edinburgh expedition over the weekend and although was very hard work in the heat, all successfully completed the expedition. The ability now to be able to bring all of these external learning opportunities into school life are so welcome after the past few years and such an important part of the wider offer of our school.

Warmest Wishes
