

Monday 15th November 2021

Last week saw our Year 9 students attend St.Marys for a Remembrance service, this was the first time that Year group had visited the church since Christmas 2019! It was lovely to be back and for the students to participate in such an important event. Our students played music, read and also read out the names of those people of Debenham who sadly died in conflict.

A small group of Year 10 students joined the commemoration at the War Memorial later in the day to lay a wreath to share our respect and prayers with the local community.

We have announced this week the winners of the House Competition up until October Half Term. The winning house in each year group were awarded some treats and snacks as they undertook their quiz today so congratulations to them all. At this early stage the leader is Austen House with 690 points only 17 ahead of Da Vinci in second place. Only 60 points separate 1st and 5th. Students are awarded points for the weekly quiz, participating in the Subject based house challenges and for anything exceptional in their school life.

With Warmest Wishes
