

Monday 3rd October 2022

We have our Open Evening for our prospective Year 7 students in 2023 this week. The evening starts from 5.45pm for students and their parent/carers to have a look around Debenham and see all of the amazing things that happen at Debenham as part of our usual offerings. Nearly all of this Year's Year 7 students are coming back to help with guiding the new students around which is so encouraging to see their confidence and pride in their school after only 4 weeks!

This week has seen our Year 11 Geographers depart for the Lake District as part of their GCSE Fieldwork unit, day 1 seems to have been a success we are now all hoping for some decent weather for the remaining days. My thanks to everyone involved in the Green Week last week, we had a number of events in school which raised the profile of Environmental Issues with our students. Whilst it is important to raise the profile of these initiatives the message to students was very much one of we must all continue to play our part however small going forward.

The Year 10 Young Enterprise group held a Disco in school for our Year 7 and 8 students. They did a fantastic job raising money to start up their business but equally importantly it was lovely to see such a huge number of our students having fun together and enjoying time together in a less formal setting, something perhaps a number haven't been able to do as much over the past few years.

Warmest Wishes

Simon Martin

He makes grass grow for the cattle, and plants for people to cultivate—bringing forth food from the earth.

Psalm 104:14

Proverbs 24:14

A generous person will prosper; whoever refreshes others will be refreshed.

Proverbs 11:25
