

Monday 6th March 2023

We held our Options Evening for Yr.9 students last week where parents and students were able to hear in more detail about the process and had the opportunity to speak to subject staff about the courses they are considering. It was lovely to see so many students and their families attend the evening. The guidance process continues with students meeting with either the Head of Year or a member of the leadership team to discuss possible choices.

We also welcomed back our students who had visited Spain for the Immersion trip, the students had a fantastic time both culturally and learning the language. Granada was a really interesting city for the students to visit and as so often is the case on a school trip have a wealth of memories and experiences to cherish.

This week sees our Year 11 students visiting Norwich to visit both the Cathedral and Synagogue as part of their RE studies, this is an important trip for students to be able to visit places of worship to further their own understanding of Religion and faith beyond the classroom.

Thursday sees our students attending Snape Maltings to take part in the schools concert, an amazing experience for our students to perform in such an iconic venue.

Finally Friday is the rearranged World Book Day, where students will take place in a wide variety of opportunities including World Book Day Costume competition and quiz.

With warmest wishes

Simon Martin

The way of a fool is right in his own eyes, but a wise man listens to advice.

Proverbs 12:15
