

Monday 14th November 2022

Last week saw a number of activities in and beyond school. As a school we observed Remembrance Day by taking students to St. Mary's for a remembrance service and a further group of year 7 students to lay a wreath as part of the service later in the day. Around school the Art and DT department displayed student work commemorating the Armistice as well as holding a 2 minute silence.

On Friday evening Mrs Giles and the language department hosted a festival called Laternenumzug, this involved around 60 Year 7 students coming into school in the evening to take part in the festival. This included students and parents singing along to a German Folk Song, a performance in German from Year 12 & 13 students at Abbeygate Sixth Form followed by a lantern procession around the school grounds. It was a fantastic evening and so pleasing to see so many students getting involved.

This week we hold our Commemorative Assembly where we welcome back students who left us last year to receive their GCSE certificates as well as awards for a variety of subjects and achievements. This is always such a wonderful evening and a great opportunity to catch up with the students and to hear about the next stage in their lives.

Simon Martin

“By wisdom a house is built, and by understanding it is established; by knowledge the rooms are filled with all precious and pleasant riches.”

Proverbs 24:3-4
