

Monday 20th February 2023

It has been good to welcome back students after half term this week. There were a number of revision sessions in school over the break for our Year 11 students. As we get closer to the examinations in May there are a wealth of sessions for students to help them prepare for these examinations both at lunch time, after school and in the school holidays. It is pleasing to see how many of our students are attending these sessions to help them prepare.

The end of the last half term saw lots of activities around our Diversity week where we seek to encourage all members of our community to understand and empathise with people from all different backgrounds, cultures and religions. There were many opportunities for our students to consider their views and opinions and to hear from guest speakers with different backgrounds.

A group of 20 Year 9 students are currently in Spain on a language immersion trip which I am sure will be as valuable as it is enjoyable.

This week is Progress evening for Year 10, which was rearranged from earlier in the term.

With warmest wishes

Simon Martin

The heart of the discerning acquires knowledge, for the ears of the wise seek it out
Proverbs 18:15
